Peer Reviewers for the *Journal of the American Board of Family Medicine* in 2009

We would like to take this opportunity to acknowledge and thank our peer reviewers for their support during the last year. In 2009, 370 individuals submitted to the *Journal of the American Board of Family Medicine (JABFM)* 423 peer reviews and advice regarding the suitability of articles for publication. Reviewers took an average of 24 days (median, 26 days) to submit a review in 2009. Although reviewers remain anonymous, authors frequently acknowledge to editors their appreciation for the thorough and thoughtful critiques from their peers. Such reviews are instrumental in improving the science of primary care and improving the quality of the *JABFM*. Thanks to the following reviewers for their dedication to the *JABFM*:
