Peer Reviewers for the *Journal of the American Board of Family Medicine* in 2005

Peer reviewers are critical to improving primary care scholarship and the quality of the published literature.* Annually we acknowledge and thank the reviewers who volunteer their time and expertise to read and critique submissions for the *Journal*. The following individuals provided such expert assistance to the *JABFM* (formerly the *JABFP*) in 2005:

*Additional information about our peer review process is detailed in this issue (see Editorial on page 209).
