To our peer reviewers: We thank you for your time, expertise, and dedication to the *Journal of the American Board of Family Medicine* (JABFM).

JABFM peer reviewers serve a vital role in contributing to the field of family medicine and to its scientific community. We take this opportunity to acknowledge and thank our peer reviewers for their support during the past year. In 2018, 372 individuals provided 461 peer reviews and advice regarding the suitability of articles for publication in the JABFM. Reviewers took an average of 18 days to submit a review.

Top Reviewers

Each of the manuscripts submitted to the JABFM is first reviewed by the editors and, if deemed suitable

for peer review, is evaluated and scored by volunteer reviewers. In the list below, peer reviewers with an asterisk next to their name are our top reviewers for 2018 based on evaluation scores and the quantity of critiques provided.

Seeking New Reviewers

We also enjoy welcoming new peer reviewers into the fold. Peer review is a vital service that helps authors and researchers improve their work. Reviewers are always free to decline a request or to indicate periods of unavailability. If you would like to volunteer to review for the JABFM, please download and complete the Peer Reviewer Form, which can be accessed online at <https://www.jabfm.org/content/information-reviewers>. Then, e-mail it, along with your curriculum vitae, to jabfm@med.wayne.edu, or fax it to 313-577-6718. Thank you!
