### Northeast

#### NORTHWESTERN NEW JERSEY

Practice opportunities with competitive compensation package available for BE/BC FAMILY PHYSICIANS. Send CV to: Ellen Pelka, Northwest Covenant Medical Center, SSM Ambulatory Care Corporate Offices, 715 Route 10 East, Randolph, NJ 07869. Fax: 973-442-2330. Phone: 973-442-2376.

**SCENIC NEW HAMPSHIRE** Ski resorts, lakes, the ocean and Boston less than an hour away! Frisbie Memorial Hospital is sponsoring several Family Practice positions. Salary with incentives, and a competitive benefit package; Contact Michele Dwyer at (603)887-0488 or fax CV's to (603)887-0080. Email: mmdnh1@aol.com

### Southeast

**SOUTH CAROLINA:** Graduating residents and experienced practitioners are invited to contact Dr. Chermat at (800) 866-6045 to discuss two exceptional practice opportunities. City of 50,000; excellent location between two major cities and the mountains and beaches; superb golf courses and lake recreation only minutes away; safe, wholesome environment for families. Seeking practitioners to join two physicians in salaried position and one physician in growing private practice. No obstetrics. Not J-1 visa site.

**PGY-II POSITION AVAILABLE** at the oldest community hospital Family Practice Residency Program in Florida. LCME/AOA approved medical school graduates with first-year PGY-I FP or equivalent training in ACGME/AOA accredited program preferred. Particularly strong obstetrical, prodedural, and sports medicine experiences. Send letter and CV to: R. Branoff, M.D., Director, Halifax Medical Center, P.O. Box 2830, Daytona Beach, Florida 32120-2830, (904) 254-4167.

**ASSISTANT MODULE LEADER, FAMILY RESIDENCE PROGRAM:** Faculty position available for family physician at large established department with strong institutional support for family medicine. Board-certified in Family Medicine. Duties include teaching residents and medical students, some

administration, and patient care to include obstetrics. Send curriculum vitae to: **D. Dean Patton, M.D., Chairman, Department of Family Medicine, East Carolina University School of Medicine, Brody 4N-84, Greenville, NC 27858-4354.** ECU is an Equal Opportunity/Affirmative Action University. Accommodates individuals with disabilities. Applicants must comply with provisions of the Immigration Reform and Control Act.

### Midwest

**ACADEMIC FAMILY PRACTICE FELLOWSHIP POSITION:** The Department of Family and Community Medicine at the University of Missouri-Columbia is accepting applications for positions in our two-year fellowship program to start in July 1998. Since 1930, 43 family physicians have completed fellowship training. Almost all are now in teaching or research positions. Many have assumed leadership roles in teaching, research, or administration in family medicine programs. During the first year the fellowship emphasizes development of knowledge and skills in teaching, critical thinking, original research, patient care, administration, and leadership. During the sec-

ond year, four areas of concentration are available: clinical teaching, research, geriatrics, and sports medicine. A Certificate of added qualifications is available in the latter two areas. All fellows earn a master's degree in public health. An optional third year is available on a selective basis for a second area of concentration or more intense training in clinical, teaching, or research skills. Send or fax your resume to Bernard Ewigman, M.D., MA303 Health Sciences Center, Family and Community Medicine, University of Missouri, School Of Medicine, Columbia, Missouri 65212. Phone (573)882-4992, Fax (573)884-4122. An equal opportunity/affirmative action /ADA employer.

**THE UNIVERSITY OF ILLINOIS AT CHICAGO, DEPARTMENT OF FAMILY MEDICINE** seeks full physician faculty. Responsibilities will be clinical and scholarly. Successful candidates must be ABFP eligible or certified. An interest in patient-centered maternity care is highly desirable. Interested individuals please contact: Elizabeth A. Burns, M.D., M.A., Head, Department of Family Medicine, UIC, 1919 West Taylor (M/C 663), Chicago, IL 60612-7248. AA/EOE.

## UF FULL TIME FACULTY

### The Department of Family Medicine at The University of Tennessee, Memphis is seeking full-time faculty.

Candidates should be residency-trained, board-certified or board-eligible M.D. or D.O. family physicians who qualify for normal OB privileges. This position includes responsibilities in our rural family medicine, predoctoral, residency, and emergency medicine sections. ACLS, ATLS preferred. Tenure track with opportunities in teaching, patient care, a scholarship. Rank commensurate with qualifications.

Interested candidates should submit a CV to:

Wm. MacMillan Rodney, M.D.  
Department of Family Medicine  
1127 Union Avenue  
Memphis, TN 38104

The University of Tennessee is an  
EEO/AA/TITLE VI/ TITLE IX/SECTION  
504/ADA/ADEA EMPLOYER

## PART TIME FACULTY

The Department of Family Medicine at The University of Tennessee, Memphis is recruiting 60-75% part-time faculty for its rural outreach programs. The remaining time (25-40%) is used for faculty development. Basic responsibilities include patient care throughout the breadth of family practice. Faculty will teach residents and medical students at the bedside and in the classroom. Candidates must be willing to participate in activities such as ACLS, ATLS, and Cesarean sections. Candidates must be M.D.s or D.O.s who have completed a family practice residency and who qualify for normal OB privileges. AAFP preferred. Rank commensurate with qualifications.

Interested candidates should send a CV and a letter containing personal goals to:

Wm. MacMillan Rodney, M.D.  
Department of Family Medicine  
1127 Union Avenue  
Memphis, TN 38104

The University of Tennessee is an Equal  
Opportunity/Affirmative Action/Title VI/  
Title IX/Section 504/ADA/ADEA Employer

**125-PHYSICIAN MULTISPECIALTY CLINIC** is seeking BE/BC candidates for several family medicine opportunities in Lafayette and nearby communities. Practices range from solo to small physician groups, both OB and non-OB positions available. Arnett Laboratory, Radiology, Pharmacy, and Urgent Care Centers provide the services needed to complement your practice.

Two year guaranteed salary plus productivity, liability, health, profit sharing, vacation/CME, relocation. Lafayette is a safe, thriving family community. Money Magazine Top 20. Purdue University offers academics, entertainment, and Big 10 sports. An easy drive to Chicago and Indianapolis. FAX CV to Debby Weber, Arnett Clinic, Fax: 765-448-8302 or send to P.O. Box 5545,

Lafayette, IN 47904. Phone: 765-448-8711. E-mail: weberd@arnett.com—No J-1 opportunities.

### Pacific

#### OVERSEAS ASSIGNMENT

Seeking BC/BE physicians for full-time or locums to join 2-3 doctors at a low-intensity occupational health clinic on Johnson Atoll which is located 700 miles SW of Hawaii. All inquiries are confidential.

## VICE CHAIR

### The Department of Family Medicine at The University of Tennessee, Memphis

is seeking a Vice Chair. The successful candidate should be a residency-trained, board-certified family physician with sufficient experience in patient care, teaching, research, and publication to qualify for the rank of tenured Associate Professor.

Although direct patient care is limited, up to 30% activity in patient care may be requested. Office and hospital teaching will be required. Minimum clinical skills should include the ability to perform/supervise labor management and normal risk deliveries. ACLS, ALSO, ATLS, and AAFP preferred.

Applicants should submit a personal statement and CV to:

Wm. MacMillan Rodney, M.D., FFAFP  
Professor & Chair  
Department of Family Medicine  
1127 Union Avenue  
Memphis, TN 389104

The University of Tennessee is an EEO/AA/Title VI/  
Title IX/Section 504/ADEA Employer

## Family Practice Physicians

If you're a physician looking for a professional life that keeps you attuned to high-tech medical advances and offers you financial rewards, opportunities for career development and excellent benefits, the Navy Medical Corps may be for you. As a Navy physician, you'll practice in a truly collegial environment, where physicians support each other rather than engage in economic competition. You'll be a commissioned officer and a respected member of the Navy's prestigious health care delivery team.

You'll work in clinical settings in the United States and around the world with top professionals and state-of-the-art equipment and facilities. Through funded continuing medical education and specialty training, you'll have the opportunity to develop your full professional potential as well as the freedom to move from practice to research or teaching without losing seniority, salary level, or retirement benefits.

You'll earn an excellent starting salary based on your ability and experience, and federal law provides free medical liability protection to Navy physicians. You may also be entitled to special pay in addition to your regular salary and allowances. Navy benefits include 30 days of paid vacation earned each year, free medical and dental care, tax-free housing and food allowance, an excellent retirement system and opportunities for free travel to some of the most exotic and beautiful places in the world.

For more information, contact your local Navy Medical Programs officer or call 1-800-USA-NAVY.

## Recertification Process for the Certificate of Added Qualifications in Geriatric Medicine

The Geriatric Medicine Certification Program, jointly developed by the American Board of Family Practice (ABFP) and the American Board of Internal Medicine, announces the recertification process for the Certificate of Added Qualifications (CAQ) in Geriatric Medicine. The first examination was offered in 1988 with subsequent examinations given biennially in even-numbered years. The certificates are valid for a 10-year period, and completion of a recertification process is required for renewal. The following is a brief description of the recertification process for the CAQ in Geriatric Medicine. One element of the process is the recertification examination, which is offered annually. The first three examinations are being held November 19, 1997, November 4, 1998, and November 3, 1999. The content and scoring of the examination are identical for both boards; however, the application requirements differ.

The ABFP requirements for the recertification process in geriatric medicine include:

- current primary certification in family practice at the time of the examination
- completion of a geriatric pre-application form and submission of a \$400 application fee
- successful completion of three Self-Evaluation Process (SEP) modules (see below)
- completion of a formal geriatric examination
- application form with an accompanying \$350 examination fee
- verification that all licenses held in the United States and Canada are currently valid, full, and unrestricted
- successful completion of a half-day cognitive examination.

The process will be completed over a two-year period, and the SEP may begin at any time during geriatric medicine certification.

*The Self-Evaluation Process modules are at-home, open-book examinations of 60 questions each. All candidates must successfully complete three modules to be eligible to sit for the examination. The SEP modules will be scored, and feedback will be provided on the incorrect answers. No references to the literature will be given with the feedback. Should a candidate be unsuccessful on any of the SEP modules, the candidate will be required to repeat the particular module until successful.*

### **Pre-Application**

ABFP Diplomates holding the CAQ in Geriatric Medicine will receive a pre-application form in the eighth year of their geriatric medicine certificate. Diplomates may choose to take the Geriatric Medicine Recertification Examination in either the ninth or tenth year of their certificate. If the Diplomate chooses to participate in the ninth year, the pre-application form will be returned to the ABFP by the specified deadline with a nonrefundable application fee. Candidates choosing not to take the examination in the ninth year of the certificate will receive another pre-application form the tenth year.

## **SEP Modules**

Candidates participating in the cognitive examination in the ninth year of the certificate will be sent all three SEP modules in one mailing. The three SEP modules are to be completed and returned as a unit within a nine-month completion period. After the SEP modules are scored, deemed successfully completed, and feedback is sent, a formal application with the feedback from the SEP will be mailed to the candidate. The formal application requires verification of currently valid, full, and unrestricted license(s) to practice in the United States or Canada, an examination fee, two photographs, and a signed and notarized statement. Upon approval of the formal application, the candidate is permitted to sit for the half-day cognitive examination to be given at test sites across the country. Specific dates and locations will be provided.

In March 1998 pre-application forms will be mailed to all holders of the CAQ whose certificates expire in 2000. If you have not received your pre-application by mid-March 1998, please notify our office.

### **Sample timetable for holders of certificates expiring 2000**

March 1998	File pre-application with \$400 fee
June 1998-March 1999	Complete three self-evaluation modules
February-July 1999	File application with \$350 examination fee, verify licensure
November 3, 1999	Half-day cognitive examination

# The American Board of Family Practice, Inc. Certificate of Added Qualifications in Sports Medicine

*Next Examination: Friday, April 16, 1999*

*Application Deadline: November 1, 1998*

The Certificate of Added Qualifications (CAQ) in Sports Medicine is being offered by the American Board of Family Practice in conjunction with the American Board of Emergency Medicine, the American Board of Internal Medicine and the American Board of Pediatrics. The requirements for all Boards will be similar. An examination will be administered to candidates from all four Boards at the same time and test sites. The standard for passing the examination is identical for all.

## **Definition**

Sports Medicine is a body of knowledge and a broad area of health care which includes: 1) exercise as an essential component of health throughout life; 2) medical management and supervision of recreational and competitive athletes and all others who exercise; and, 3) exercise for prevention and treatment of disease and injury.

## **Content**

The practice of Sports Medicine is the application of the physician's knowledge, skills and attitudes to all persons engaged in sports and exercise. The content of the examination will include:

- Physiology and biomechanics of exercise
- Basic and nutritional principles and their application to exercise
- Psychological aspects of exercise, performance and competition
- Guidelines for evaluation prior to participation in exercise
- Physical conditioning requirements for various activities
- Pathology and pathophysiology of illness and injury as it relates to exercise
- Effects of disease on exercise and the use of exercise in the care of medical problems
- Prevention, evaluation, management, and rehabilitation of injuries
- Understanding pharmacology and effects of therapeutic, performance-enhancing and recreational drugs
- Promotion of physical fitness and healthy lifestyles
- Functioning as a team physician
- Ethical principles as applied to exercise and sports
- Medical-legal aspects of exercise and sports
- Anatomy related to exercise
- Growth and development related to exercise

## **Requirements**

Family physicians must be certified by the American Board of Family Practice and must be Diplomates in good standing at the time of the examination. The Diplomate must hold a currently valid, full and unrestricted license to practice medicine in the United States or Canada. ABFP Diplomates may apply through one of the two pathways:

### **I. Fellowship Pathway**

A candidate must have completed, or will have completed by June 30th of the examination year, a minimum of one year in a sports medicine fellowship program associated with an ACGME-accredited residency in Family Practice,\* Emergency Medicine, Internal Medicine, or Pediatrics. (If the sports medicine program is not currently accredited by the ACGME or if it has not previously provided candidates for examination, the program director should seek prior ABFP approval of the curriculum to be completed.)

**Documentation Required:** A letter from the fellowship program director is required verifying satisfactory completion of the sports medicine fellowship program, indicating beginning and ending training dates (month, day and year). Candidates who have not yet completed their fellowship program but will do so by **June 30, 1999**, should submit with the application a preliminary letter of completion from the program director indicating the anticipated completion date. Upon completion of the fellowship, the program director should submit a final letter verifying satisfactory completion and the date. The candidate's examination results will not be released without the final verification letter. If not received by August 1, 1999, the examination will be considered null and void.

*\*Effective July 1, 1998, candidates entering family practice sports medicine fellowship training must enter programs accredited by the Accreditation Council for Graduate Medical Education (ACGME) to be used toward training requirements for admission to the examination.*

## II. Practice Pathway\*\*

A candidate must have:

A. Five years of practice experience (time spent in any training cannot be equated as practice) consisting of at least 20 % professional time devoted to sports medicine defined as one or more of the following:

- Emergency assessment and care of acutely injured athletes
- Management of medical problems in the athlete
- Rehabilitation of ill and injured athletes
- Diagnosis, treatment, management and disposition of common sports injuries and illness
- Exercise as treatment
- Field supervision of athletes

B. Thirty (30) hours of AMA Category I (or its equivalent) in sports medicine-related continuing medical education during the past 5 years.

**Documentation Required:** The Verification of Medical Practice Forms are provided in the application. Two forms should be completed by persons in positions such as coaches, high school or college administrators, hospital directors, county medical society administrators, or other practitioners who are knowledgeable of the candidate's practice. Five years of practice must be verified per verification. Only one of the forms may be from a partner or practice associate.

**\*\*The Practice Pathway will be available only through the 1999 examination. After the 1999 examination, the Practice Pathway will expire and only those ABFP Diplomates who satisfactorily complete a one-year sports medicine fellowship will be eligible to apply for the CAQ in Sports Medicine.**

### CME

The board does not recommend any specific review courses or study material in preparation for the examination. You may contact the American Academy of Family Physicians (800) 274-2237 and the American College of Sports Medicine (317) 637-9200 for information on sports medicine-related CME.

### Administration of the Examination

The proctored, written examination will be a half-day examination administered in several major cities across the United States, biennially in the odd-numbered years. The next examination will be administered April 16, 1999. A list of testing centers will be distributed as part of the formal application.

Those who are successful on the examination will be awarded an ABFP Certificate of Added Qualifications in Sports Medicine. The certificate will bear a date limiting the duration of its validity to ten years. If for any reason primary certification in Family Practice is not maintained (e.g., expiration, revocation, etc.), certification in Sports Medicine will simultaneously be withdrawn at the time of the loss of the primary certificate. Upon restoration of the family practice certificate, the CAQ in Sports Medicine will simultaneously be restored for the remainder of the current certificate.

### Application Period

The application period for the 1999 Sports Medicine Examination will begin July 1, 1998 and end with a deadline of November 1, 1998 or a late deadline (will include late fee) of December 1, 1998. The fee for the examination is \$750.00, if the application is received with a postmark of November 1, 1998 or before, or \$950.00 for an application with a postmark between November 2, 1998 and December 1, 1998. Applications received with a postmark after December 1, 1998 may not be accepted for the 1999 examination.
