

A Medscape Clinical News Alert: Diabetic Polyneuropathy

A review course by **Stuart C. Apfel, MD**

This timely course presents a comprehensive review of the risk factors, clinical presentation, and management of diabetic neuropathy, one of the most common consequences of diabetes — and potentially one of the most devastating.

A Clinical Challenge:

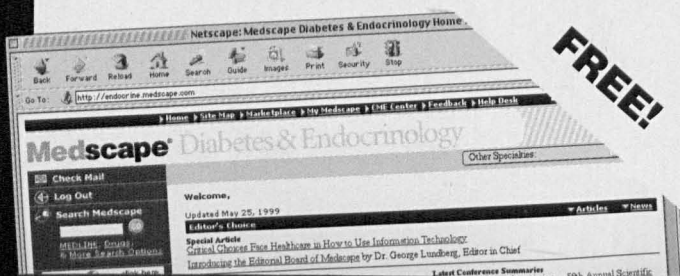

In this section of a sural nerve from a patient with diabetic neuropathy, can you identify pathologic features consistent with endoneural ischemia and suggestive of decreased vascular perfusion?

To check your diagnosis:

- 1 Go to
- 2 If you are not already a member, register for
- 3 Point your browser to:

The most relevant and useful specialty-specific findings for Primary Care, Family Practice, and Internal Medicine.

- Next Day Conference Summaries from major medical conferences, including the 1999 ADA Scientific Sessions, written by renowned physician faculty
- Online textbooks, including *Diagnosis and Management of Type II Diabetes* and clinical practice guidelines, including ADA's *Standards of Medical Care for Patients With Diabetes Mellitus*
- Interactive case challenges, clinical discussions, and Medscape Journal Scan, the clinician's guide to the latest clinical research
- An extensive compilation of free full-text clinical articles and continuing medical education (CME) offerings
- Integrated Medscape searching that powers you through 10 databases including MEDLINE

West Central

ASSISTANT/ASSOCIATE DIRECTOR, TOP-RATED COMMUNITY: Join the outstanding faculty of a well established, 24 resident, community based, university affiliated program. We seek an energetic educator to guide and teach residents

and students, participate in direct patient care, and help family medicine achieve its proper role of leadership in health care of the future. ABFP certification and teaching or practice experience required, residency training preferred. Full-time appointment USD School of Medicine. Compensation competitive, working conditions outstanding. Community and both hospitals ranked among the top in the nation. Send CV and letter of inquiry to Earl D. Kemp, MD, Director, Center for Family Medicine, 2300 S. Dakota Ave., Sioux Falls, SD 57105-3845. Women and minorities please apply. AA/EOE.

ASSISTANT/ASSOCIATE PROFESSOR

The University of South Dakota School of Medicine, a family practice-oriented school, is seeking additional faculty for our Sioux Falls and Rapid City campuses. Applicants must be residency trained and board certified, and be eligible for licensure in the State of South Dakota. The Department of Family Medicine has required courses/clerkships in all four years of the curriculum and also participates in longitudinal primary care teaching clinics for third-year students on both campuses. There are affiliated family practice residency programs on both campuses. Responsibilities will include teaching, scholarly activity, and patient care (including obstetrics). Rank and compensation will be commensurate with qualifications and experience. Applications will be received starting October 1, 1999, and continue until suitable candidates are hired. Send CV and letter of interest to H. Bruce Vogt,

MD, Chair, Department of Family Medicine, 1400 West 22nd Street, Sioux City, SD 57105-1570, or for inquiries call Dr. Vogt (605) 357-1500. AA/EOE.

West Coast
