

## ERRATUM

# Correction to “The ‘Measuring Outcomes of Clinical Connectivity’ (MOCC) Trial: Investigating Data Entry Errors in the Electronic Primary Care Research Network (ePCRN)”

The statement of funding was incomplete in the abovementioned article (Fontaine P, Mendenhall TJ, Peterson K, Speedie SM. *J Am Board Fam Med* 2007;20(2):151–159). The correct statement appears below:

This project has been funded in whole or in part with Federal funds from the National Institutes of Health, under Contract No. HHSN268200425212C, “Re-Engineering the Clinical Research Enterprise.” (doi: 10.3122/jabfm.2007.03.070065.)
