Phillip Lupo, Jr., MLIS, and Anne Victoria Neale PhD, MPH

The editors and staff of the *Journal of the American Board of Family Medicine (JABFM)* thank our peer reviewers for their time, expertise, and dedication to the *JABFM*. Our peer-reviewing colleagues serve a vital role in building the evidence base of primary care. In 2011, 433 individuals provided peer reviews and advice regarding the suitability of articles for publication in the *JABFM*. Reviewers took an average of 26 days to submit their reviews.

## Seeking New Reviewers!

We also enjoy welcoming new peer reviewers into the fold. Peer reviewing is a vital service activity that helps authors, researchers, and reviewers themselves to improve their work and their dissemination messages. Resources for reviewers are available on the *JABFM* website (<http://jabfm.org/site/misc/PeerReviewers.xhtml>). Reviewers are always free to decline a request or to indicate periods of unavailability. If you would like to volunteer to review for the *JABFM*, please download and complete the Peer Reviewer Form (which can be accessed at <http://jabfm.org/site/misc/PeerReviewForm.doc>) and email it, along with your curriculum vitae, to [jabfm@med.wayne.edu](mailto:jabfm@med.wayne.edu) or fax to 313-577-9828. Thank you!
