(Updated 12/15)
Serving family medicine doctors and researchers in the US and abroad since 1988, the Journal of the American Board of Family Medicine (JABFM) is published online and in print six times a year by the American Board of Family Medicine.

JABFM delivers incisive, peer-reviewed, up-to-date content comprising
- original research
- clinical reviews
- ethics and humanities essays
- family medicine across the globe
- evidence-based guidelines
- practice-based research
- health care systems, services, policies,
- lively correspondence

JABFM Online is open-access, available at www.jabfm.org, featuring RSS Feeds, Expedited International Distribution (EID), and “Email this Article to a Friend” functionality.

Readership
JABFM is targeted primarily to family medicine physicians and researchers, and all those interested in the field of family medicine.

Circulation
Online: On average in 2014, 536,650 total requests for content per month.
Print: Approximately 900 copies per issue.

Advertising
Display and classified ads are available for both print and online. Please contact the editorial offices at jabfm@med.wayne.edu or 313-577-5205.

Email Alerts
To be notified as soon as a new issue posts online, or when an article on a particular topic is published, readers may sign up for email alert via the left navigation bar at www.jabfm.org.

Manuscript Invitation
The JABFM welcomes high-quality manuscripts that contribute to family medicine as a clinical scientific discipline. High priority is given to clinically relevant studies that have practical implications for improved patient care. Manuscripts are evaluated with regard to quality, originality, significance to the advancement of the field of family medicine, and level of interest to the practicing family physician. Information for authors can be found at www.jabfm.org.

Reviewers
We welcome new peer reviewers. To volunteer for this important service, please contact us at jabfm@med.wayne.edu or 313-577-5205; or you may download the form at www.jabfm.org via the right navigation bar.
