Subject Index Volume 5, 1992

Key to Abbreviations

ac — authors’ comment
bkrv — book review
bn — board news
br — brief report
c — correspondence
crHIV — current report-HIV
e — editorial

cr — current report
ec — editorial comment
g — guidelines
gs — guest essay
mp — medical practice
oa — original article
r — review
refl — reflections in family practice
sp — special communication
x — correction

Acaria. Acaridae incognito: the case of the mighty mite (Holleman & Chappell) 639-br

Accidents. Carwash injuries (Sayres) 450-c

Adrenal Cortex Hormones. Reassessment of the role of theophylline in the current therapy for nocturnal asthma (Self & others) 281-r

Advance Directives. Advance directives among patients in a house call program (Daly & Sobal) 11-oa; Advance directives 1991: is the cart before the horse? (Rodriguez & Saultz) 97-e; Advanced directives for homebound patients (Coll & Anderson) 359-c

After the Cruzan case: the primary care physician and the use of advance directives (Doukas & Brody) 201-mp

American Academy of Family Physicians. The AAFP access plan: getting it almost right (Brody) 655-e

American Board of Family Practice. Board news (Young) 107-br, 358-br, 445-br

Amputation. Amputation: preoperative psychological preparation (Butler & others) 69-mp

Anoxia. Oxygen saturation in high-altitude pulmonary edema (Bachman & others) 429-br

Antiviral Agents. Treatment of AIDS and AIDS-related conditions, 1992 (Goldschmidt & Dong) 335-bn

Arthritis Therapy: A Clinician’s Manual (Kantor) [LaCroix] 548-bkrv

Art of General Practice. The Art of General Practice 4th ed. (Morrell) [Hennen] 239-bkrv

Asian Americans. Urinary gnathostomiasis in a Lao­tian refugee (Norcross & others) 533-br

Aspersions. Treatment of atopic dermatitis with antihistamines: lessons from a single-patient, randomized clinical trial (Nuovo & others) 137-oa; The potential role of single-patient randomized controlled trials (N-of-1 RCTs) in clinical practice (Jaeschke & others) 227-e

Asthma. Guidelines for the diagnosis and management of asthma (Berg & Moy) 629-g

Reassessment of the role of theophylline in the current therapy for nocturnal asthma (Self & others) 281-r

Beclomethasone. Reassessment of the role of theophylline in the current therapy for nocturnal asthma (Self & others) 281-r

Benzodiazepines. Benzodiazepine dependence and withdrawal: identification and medical management (Landry & others) 167-r; Benzodiazepine dependence (Roy-Byrnes) 225-e

Beriberi. Thiamine deficiency (Brotzman) 323-br

Bias (Epidemiology). Drug treatment of hypercholesterolemia (Blake) 359-c

Blood Pressure. The effective diagnosis and treatment of hypertension by the primary care physician: impact of ambulatory blood pressure monitoring (Ferguson & Shurr) 457-oa; A “new” standard for the diagnosis of mild hypertension? (McBride & others) 541-e

Board News. see American Board of Family Practice Book Reviews. Adventures in Medicine: One Doctor’s Life amid the Great Discoveries of 1940-1990 (Hoobler) [Berggren] 548-bkrv

The Art of General Practice 4th ed. (Morrell) [Hennen] 239-bkrv

Arthritis Therapy: A Clinician’s Manual (Kantor) [LaCroix] 548-bkrv

Cardiac Emergency Care 4th ed. (Chung) [Brock] 659-bkrv

Cecil Textbook of Medicine 19th ed. (Wyngaarden & others) [Bergman] 659-bkrv

Cholesterol Treatment: User Guide to Lipid Disorder Management 2nd ed. (Leal) [Zervanos] 659-bkrv

Clinical Epidemiology: A Basic Science for Clinical Medicine 2nd ed. (Sackett & others) [Reed] 660-bkrv

Conn’s Current Therapy, 1992 (Rakel) [Fields] 549- bkrv

Current Diagnosis 8th ed. (Conn) [Bergman] 362-bkrv

Difficult Diagnosis 2 (Taylor) [Larsen] 549-bkrv

ECG Interpretation Pocket Reference (Grauer) [LaCroix] 237-bkrv

Essentials of Drug Therapy (Johnson) [Larsen] 238-bkrv

Geriatric Home Care. Clinics in Geriatric Medicine Volume 7, Number 4 (Ferrell & Rubenstein) [Botelho] 661-bkrv

Handbook of Drug Therapy in Rheumatic Disease: Pharmacology and Clinical Aspects (Hadin & Longenecker) [Abyad] 549-bkrv
Handbook of Skin Clues of Systemic Disease 2nd ed. (Jacobs & Anhalt) [Tanji] 661-br
How to Quickly and Accurately Master ECG Interpretation 2nd ed. (Davis) [Norman] 362-br
The Laboratory Consultant (Pribor & Hurlbut) [Hennen] 452-br
Manual of Clinical Problems in Cardiology with Annotated Key References (Hills & others) [Fox] 550-br
Medical Education, Accreditation, and the Nation's Health: Reflections of an Atypical Dean (Hunt) [Brody] 363-br
Medical Uses of Statistics 2nd ed. (Bailar & Mosteller) [Sloan] 662-br
Nelson Textbook of Pediatrics (Behrman & Kliegman) [Davis] 550-br
Panic Disorder in the Medical Setting (Katon) [Pugno] 364-br
Pediatric Diagnosis: Interpretation of Signs and Symptoms in Infants, Children, and Adolescents (Green) [Davis] 452-br
A Practical Guide to ECG Interpretation (Grauer) [LaCroix] 237-br
The Practicing Physician’s Approach to Headache (Diamond & Dalessio) [Fox] 552-br
Principles of Clinical Practice: An Introductory Textbook (Mengel) [Hunt] 453-br
Principles and Practice of Infectious Diseases — Handook of Antimicrobial Therapy (Mandell & others) [Hunt] 662-br
Resources for People with Disabilities and Chronic Conditions (Resources for Rehabilitation) [Berggren] 237-br
Somatization Disorder in the Medical Setting (Smith) [Larsen] 453-br
Textbook of Internal Medicine (Kelley & others) [Norris] 454-br
Brief Reports. Acaridae incognito: the case of the mighty mite (Holleman & Chappell) 639-br
Association of Escherichia coli sepsis and galactosemia in neonates (Barr) 89-br
Dermatologic manifestations of giardiasis (McKnight & Tietze) 425-br
Dystocia caused by chronic fecal impaction (Smith & Mozley) 333-br
Education program for premature labor (Bachman & others) 645-br
A fatal case of toxic shock associated with group A streptococcal cellulitis (Whittiker) 523-br
Fetal tachycardia associated with maternal use of pseudoephedrine, an over-the-counter oral decongestant (Anastasio & Harston) 527-br
Hepatitis associated with Lyme disease (Sinusas & others) 635-br
Hyperparathyroidism (Kirchner) 529-br
Impact of a simple reminder on documentation of pediatric health screening procedures (Boltri) 215-br
Leiomyosarcoma of the femoral vein in a marathon runner (Bradley & others) 219-br
Neuroleptic malignant syndrome (Connelly & Fowler) 327-br
Neutralization of the effects of captopril by the use of ibuprofen in an elderly woman (Espin & Lancaster) 319-br
Oxygen saturation in high-altitude pulmonary edema (Bachman & others) 429-br
Recurrent leg cellulitis: pathogenesis, treatment, and prevention (Pierce & Daugird) 85-br
Sarcoidosis as a testicular mass (Schechter & others) 437-br
Subcutaneous emphysema and pneumomediastinum in the postpartum period (Wall & others) 223-br
Successful physician interventions with hospitalized alcoholic patients (Seale & others) 433-br
Thiamine deficiency (Brotzman) 323-br
Tricuspid valve endocarditis (Milhorn) 81-br
Urinary granthastorniass in a Laotian refugee (Norcross & others) 533-br
Bromodilators. Reassessment of the role of theophylline in the current therapy for nocturnal asthma (Self & others) 281-r
Buspirone. Buspirone effect on tobacco withdrawal symptoms: a randomized placebo-controlled trial (Robinson & others) 1-oa
Candidiasis. Evaluation of a latex agglutination test for the identification of Candida species in vaginal discharge (Reed & Pierson) 375-oa
Captopril. Neutralization of the effects of captopril by the use of ibuprofen in an elderly woman (Espin & Lancaster) 319-br
Cellulitis. A fatal case of toxic shock associated with group A streptococcal cellulitis (Whittiker) 523-br
Recurrent leg cellulitis: pathogenesis, treatment, and prevention (Pierce & Daugird) 85-br
Cerebral Infarction. The complications of immobility in the elderly stroke patient (Coletta & Murphy) 389-r
Certification Examination. Board news (Young) 107-br
Cervicitis. Does evidence of inflammation on Papnicolaou smears of pregnant women predict preterm labor and delivery? (Blake & others) 555-oa
Cervix Neoplasms. Use effectiveness of the Cytobrush in the primary care setting (Cauthen & others) 365-oa; Assessing a technology: what constitutes enough (Berg) 439-e
Chlorpheniramine. Treatment of atopic dermatitis with antihistaminies: lessons from a single-patient, randomized clinical trial (Nuovo & others) 137-oa; The potential role of single-patient randomized controlled trials (N-of-1 RCTs) in clinical practice (Jaeckhe & others) 227-e
Chronic Obstructive Pulmonary Disease. see Lung Diseases, Obstructive
Clinical Guidelines. Clinical guidelines and primary care (Geyman) 656-e
Guidelines for the diagnosis and management of asthma (Berg & Moy) 629-g
Physician compliance with mammography guidelines: barriers and enhancers (Costanza & others) 143-oa; Let guidelines be guidelines (Taplin) 231-e
A "new" standard for the diagnosis of mild hypertension? (McBride & others) 541-e

**Clinical Trials, Single Patient.** Treatment of atopic dermatitis with antihistamines: lessons from a single-patient, randomized clinical trial (Nuovo & others) 137-0a; The potential role of single-patient randomized controlled trials (N-of-1 RCTs) in clinical practice (Jaeschke & others) 227-e

**Cluster Headache.** Chronic headaches in family practice (Smith) 589-r

**Colposcopy.** Colposcopy practice and training in family practice residency programs (Ferris & Miller) 153-0a; (Gordon) 450-c

Family physicians' colposcopy practices (Gordon & Weiss) 27-0a; Colposcopy training for family physicians (Nuovo & Newkirk) 102-e

**Computers.** How family physicians choose an office computer system (Vincent & Schwein) 275-0a

**Coronary Disease.** Relation of physical activity and cardiovascular fitness to coronary heart disease, part I: a meta-analysis of the independent relation of physical activity and coronary heart disease (Eaton) 31-r; (Katerndahl) 448-c; (Eaton) 449-ac; Part II: cardiovascular fitness and the safety and efficacy of physical activity prescription (Eaton) 157-r

**Cytomegalovirus.** Treatment of AIDS and AIDS-related conditions, 1992 (Goldschmidt & Dong) 335-crHIV

**Delivery of Health Care.** The AAFP access plan: getting it almost right (Brody) 655-e

Factors in the physician practice location puzzle: a survey of New York state residency-trained family physicians (Rosenthal & others) 265-0a

Models of family practice (Scherger) 649-refl

**Depression.** Depression after childbirth (Dobie & Walker) 303-r; (Davis) 544-c; (Dobie & Walker) 544-ac

**Dermatology.** Acaridae incognito: the case of the mighty mite (Holleman & Tietze) 425-br

Dermatologic manifestations of giardiasis (McKnight & Self) 425-br

**Dermatologic** manifestations of giardiasis (McKnight & Tietze) 425-br

Treatment of atopic dermatitis with antihistamines: lessons from a single-patient, randomized clinical trial (Nuovo & others) 137-0a; The potential role of single-patient randomized controlled trials (N-of-1 RCTs) in clinical practice (Jaeschke & others) 227-e

**Diabetes Mellitus.** Longitudinal study of a diabetes education and care intervention: predictors of improved glycemic control (O'Connor & others) 381-0a

Screening for gestational diabetes mellitus: comparison of a glucose polymer and a glucose monomer test beverage (Bergus & Murphy) 241-0a

**Diagnosis.** The effective diagnosis and treatment of hypertension by the primary care physician: impact of ambulatory blood pressure monitoring (Ferguson & Shaar) 457-0a; A "new" standard for the diagnosis of mild hypertension? (McBride & others) 541-e

**Diagnostic Imaging.** The bone scan in primary care: diagnostic pitfalls (Keenan & others) 63-temp; Diagnosis of multiple myeloma (McIntyre) 360-c

**Didanosine.** Treatment of AIDS and AIDS-related conditions, 1992 (Goldschmidt & Dong) 335-crHIV

**Dideoxycytidine.** Treatment of AIDS and AIDS-related conditions, 1992 (Goldschmidt & Dong) 335-crHIV

**Disodium Cromoglycate.** Reassessment of the role of theophylline in the current therapy for nocturnal asthma (Self & others) 281-r

**Drugs.** Benzodiazepine dependence and withdrawal: identification and medical management (Landry & others) 167-r; Benzodiazepine dependence (Roy-Byrnes) 225-e

Buspirone effect on tobacco withdrawal symptoms: a randomized placebo-controlled trial (Robinson & others) 1-0a

Drug treatment of hypercholesterolemia (Blake) 359-c

Mycobacterial disease in HIV-infected persons (Goldschmidt) 92-crHIV

Neutralization of the effects of captopril by the use of ibuprofen in an elderly woman (Espino & Lancaster) 319-br

Reassessment of the role of theophylline in the current therapy for nocturnal asthma (Self & others) 281-r

Treatment of AIDS and AIDS-related conditions, 1992 (Goldschmidt & Dong) 335-crHIV

Treatment of atopic dermatitis with antihistamines: lessons from a single-patient, randomized clinical trial (Nuovo & others) 137-0a; The potential role of single-patient randomized controlled trials (N-of-1 RCTs) in clinical practice (Jaeschke & others) 227-e

Use of deep venous thrombosis prophylaxis by family physicians (Fox & Lisney) 369-0a

**Drugs, Adverse Effects.** Fetal tachycardia associated with maternal use of pseudoephedrine, an over-the-counter oral decongestant (Anastasio & Harston) 319-br

Neutralization of the effects of captopril by the use of ibuprofen in an elderly woman (Espino & Lancaster) 319-r

Postmarketing surveillance of adverse drug reactions: patient self-monitoring (Fisher & Bryant) 17-0a

**Durable Power of Attorney.** see Living Wills

**Dystocia.** Dystocia caused by chronic fecal impaction (Self & others) 227-e

**Editors.** The AAFP access plan: getting it almost right (Brody) 655-e

Advance directives 1991: is the cart before the horse? (Rodriguez & Sultz) 97-e

Any truth in psychological explanations? (Stephens) 98-e

**Assessing a technology: what constitutes enough?** (Berg) 439-e

Benzodiazepine dependence (Roy-Byrnes) 225-e

Clinical guidelines and primary care (Geyman) 656-e

Colposcopy training for family physicians (Geyman) 655-e

Copyright 1992. Downloaded from http://www.jabfm.org/ on 12 December 2023 by guest. Protected by copyright.
Family physicians performing obstetrics: is malpractice liability the only obstacle? (Wall) 440-e; (Kriebel) 658-c

Illiteracy and health status: can we read the meanings? (Rodriguez & Wall) 354-e

Improving the quality of care for nursing home patients (Warshaw) 233-e

Let guidelines be guidelines (Taplin) 231-e

A “new” standard for the diagnosis of mild hypertension? (McBride & others) 541-e

The potential role of single-patient randomized controlled trials (N-of-1 RCTs) in clinical practice (Jaeheke & others) 227-e

Primary medical care: a riddle and a parable (Stephens) 540-e

Sorry, I don’t see nursing home patients (Waltman) 104-e; Nursing home patients (Harmon) 360-c

Teamwork and informed consent (Brody) 229-e

Universal precautions (Goldschmidt) 355-e

What I’ve learned from experience (Stephens) 351-e

Education, Continuing. Self-reported experience for family practice residents (Brunton & Radecki) 581-oa

What I’ve learned from experience (Stephens) 351-e

Education, Medical. Colposcopy practice and training in family practice residency programs (Ferris & Miller) 153-oa; (Gordon) 450-c

Family physicians’ colposcopy practices (Gordon & Weiss) 27-oa; Colposcopy training for family physicians (Nuovo & Newkirk) 102-e

A five-step “microskills” model of clinical teaching (Neher & others) 419-sp Models of clinical practice (Scherger) 649-refl

What I’ve learned from experience (Stephens) 351-e

Elderly. see Geriatrics

Emphysema. Alpha 1-antitrypsin-deficiency-related emphysema (Barker) 489-r

Endocarditis. Tricuspid valve endocarditis (Mihlorn) 81-br

England. Change in the British National Health Service (Green) 75-sp

Ephedrine. Fatal tachycardia associated with maternal use of pseudoephedrine, an over-the-counter oral decongestant (Anastasio & Harston) 527-br

Escherichia coli. Association of Escherichia coli sepsis and galactosemia in neonates (Barr) 89-br

Exercise. Factors associated with regular aerobic exercise in an elderly population (Edwards & others) 467-oa

Relation of physical activity and cardiovascular fitness to coronary heart disease, part I: a meta-analysis of the independent relation of physical activity and coronary heart disease (Eaton) 31-r; (Katendrahd) 448-c; (Eaton) 449-ac; Part II: cardiovascular fitness and the safety and efficacy of physical activity prescription (Eaton) 157-r

Exotoxins. A fatal case of toxic shock associated with group A streptococcal cellulitis (Whittaker) 523-br

Family Practice. The AAFP access plan: getting it almost right (Brody) 655-e

Colposcopy practice and training in family practice residency programs (Ferris & Miller) 153-oa; (Gordon) 450-c

Chronic headaches in family practice (Smith) 589-r

Family physicians’ colposcopy practices (Gordon & Weiss) 27-oa; Colposcopy training for family physicians (Nuovo & Newkirk) 102-e

A five-step “microskills” model of clinical teaching (Neher & others) 419-sp Models of family practice (Scherger) 649-refl

Recruitment to family practice residencies (Laufenburg) 109-c; (Frey) 447-c

Success strategies (Ventres) 361-c; (Taylor) 361-ac

Survey and evaluation of newsletters marketed to family physicians (Shauhnessy & others) 573-oa

Teaching physicians to be patient: a hospital admission experience for family practice residents (Brunton & Radecki) 581-oa

Will family physicians really return to obstetrics if malpractice insurance premiums decline? (Nesbit & others) 413-mp; Family physicians performing obstetrics: is malpractice liability the only obstacle? (Wall) 440-e; (Kriebel) 658-c

Feces, Impacted. Dystocia caused by chronic fecal impaction (Smith & Mozley) 333-br

Femoral Vein. Leiomyosarcoma of the femoral vein in a marathon runner (Bradley & others) 219-br

Fetal Distress. Fetal tachycardia associated with maternal use of pseudoephedrine, an over-the-counter oral decongestant (Anastasio & Harston) 527-br

Food Contamination. Urinary gastrostomiasis in a Laotian refugee (Norcross & others) 533-br

Foscarnet. Treatment of AIDS and AIDS-related conditions, 1992 (Goldschmidt & Dong) 335-crHIV

Galactosemia. Association of Escherichia coli sepsis and galactosemia in neonates (Barr) 89-br

Gancyclovir. Treatment of AIDS and AIDS-related conditions, 1992 (Goldschmidt & Dong) 335-crHIV

Geriatrics. Advance directives among patients in a house call program (Daly & Sobol) 11-oa; Advance directives 1991: is the cart before the horse? (Rodriguez & Saultz) 97-; Advanced directives for homebound patients (Coll & Anderson) 359-c

Community attitudes and knowledge about advance care directives (Elder & others) 565-oa

The complications of immobility in the elderly stroke patient (Coletta & Murphy) 389-r

Factors associated with regular aerobic exercise in an elderly population (Edwards & others) 467-oa

Health promotion for the nursing home patient (Richardson) 127-oa; Improving the quality of care for nursing home patients (Warshaw) 233-e; (Heath) 545-c; (Richardson) 546-ac

Index 667
Family physicians performing obstetrics: is malpractice liability the only obstacle? (Wall) 440-e; (Kriebel) 658-c
Will family physicians really return to obstetrics if malpractice insurance premiums decline? (Nesbitt & others) 413-mp; Family physicians performing obstetrics: is malpractice liability the only obstacle? (Wall) 440-e; (Kriebel) 658-c

**Internship and Residency**

Colposcopy practice and training in family practice residency programs (Ferris & Miller) 153-oa; (Gordon) 450-c
Recruitment to family practice residencies (Laufenburg) 109-c; (Frey) 447-c
Teaching physicians to be patient: a hospital admission experience for family practice residents (Brunton & Radecki) 581-oa

**Intervention Studies**

Intervention to increase seat belt use at a primary care center (Hempel) 483-oa
Longitudinal study of a diabetes education and care intervention: predictors of improved glycemic control (O'Connor & others) 381-oa
Successful physician interventions with hospitalized alcoholic patients (Seale & others) 433-br

**Labor, Prematurity**

Does evidence of inflammation on Papanicolaou smears of pregnant women predict preterm labor and delivery? (Blake & others) 555-oa
Education program for premature labor (Bachman & others) 645-br
Premature labor, part I: risk assessment, etiologic factors, and diagnosis (Gjerdingen) 495-r; Part II: management (Gjerdingen) 601-r

**Leg**

Urinary gnbastosomiasis in a Laotian refugee (Norcross & others) 533-br

**Latex Agglutination Tests**

see Latex Fixation Tests

**Latex Fixation Tests**

Evaluation of a latex agglutination test for the identification of *Candida* species in vaginal discharge (Reed & Pierson) 375-oa

**Leg. Recurrent leg cellulitis**

Pathogenesis, treatment, and prevention (Pierce & Daugird) 85-br

**Leiomyosarcoma**

Leiomyosarcoma of the femoral vein in a marathon runner (Bradley & others) 219-br

**Length of Stay**

Patient outcomes in hospital-based respite: a study of potential risks and benefits (Chang & others) 475-oa

**Literacy**

Health status of illiterate adults: relation between literacy and health status among persons with low literacy skills (Weiss & others) 257-oa; Illiteracy and health status: can we read the meanings? (Rodriguez & Wall) 354-e

**Living Wills**

Advance directives among patients in a house call program (Daly & Sobal) 11-oa; Advance directives 1991: is the cart before the horse? (Rodriguez & Saultz) 97-e; Advanced directives for homebound patients (Coll & Anderson) 359-c

Community attitudes and knowledge about advance care directives (Elder & others) 565-oa

Health promotion for the nursing home patient (Richardson) 127-oa; Improving the quality of care for nursing home patients (Warshaw) 233-e; (Heath) 545-c; (Richardson) 546-ac

Implications of methicillin-resistant *Staphylococcus aureus* on nursing home practice (Coll & Nurse) 193-mp

Sorry, I don't see nursing home patients (Waltman) 104-e; Nursing home patients (Harmon) 360-c

**Lung Diseases, Obstructive**

Alpha 1-antitrypsin-deficiency-related emphysenma (Barker) 489-r

**Lyme Disease**

Hepatitis associated with Lyme disease (Sinuss & others) 635-mp

**Malpractice**

Can physicians be induced to resume obstetric practice? (Greer & others) 407-mp; Family physicians performing obstetrics: is malpractice liability the only obstacle? (Wall) 440-e; (Kriebel) 658-c

Differences in the obstetric malpractice claims filed by Medicaid and non-Medicaid patients (Baldwin & others) 623-mp

Will family physicians really return to obstetrics if malpractice insurance premiums decline? (Nesbitt & others) 413-mp; Family physicians performing obstetrics: is malpractice liability the only obstacle? (Wall) 440-e; (Kriebel) 658-c

**Mammography**

Physician compliance with mammography guidelines: barriers and enhancers (Costanza & others) 143-oa; Let guidelines be guidelines (Taplin) 231-e

**Marital Relationship**

Improving marital relationships: strategies for the family physician (Starling & Martin) 511-mp

**Mediastinal Emphysemata**

Subcutaneous emphysema and pneumomediastinum in the postpartum period (Wall & others) 223-br

**Medicaid**

Differences in the obstetric malpractice claims filed by Medicaid and non-Medicaid patients (Baldwin & others) 623-mp

**Medical Assistance, Title 19**

see Medicaid

**Medical Informatics**

How family physicians choose an office computer system (Vincent & Schneeweiss) 275-oa

**Methicillin Resistance**

Implications of methicillin-resistant *Staphylococcus aureus* on nursing home practice (Coll & Nurse) 193-mp

**Migraine**

Chronic headaches in family practice (Smith) 589-r

**Mite Infestations**

Acaridae incognito: the case of the mighty mite (Holleman & Chappell) 639-br

**Models, Statistics**

Measurers of clinical effectiveness (Millard) 545-c

**Multiple Myeloma**

Diagnosis of multiple myeloma (McIntyre) 360-c

**Mycobacterium Infections**

Mycobacterial disease in HIV-infected persons (Goldschmidt) 92-crHIV

Treatment of AIDS and AIDS-related conditions, 1992 (Goldschmidt & Dong) 335-crHIV
NATIONAL HEALTH SERVICE, BRITISH. *see* STATE MEDICINE
