If you're [illegible] and [illegible]...

We have a number of opportunities.

If you're like most physicians, you've been relying on journals like *The New England Journal of Medicine* for years to locate the best practice opportunities. Now, learn about career openings by phone, too -- 24 hours a day, 7 days a week. Introducing the National TeleAccess Network, a revolutionary new service that is:

Free. There are no charges of any kind for physician callers.
Confidential. *You* decide whether or not to contact potential employers.
Targeted. Specify your career interest, geographic preferences, and more.
Fast. Request and receive details on openings that interest you by fax or mail.
Comprehensive. Browse through a variety of opportunities from all across the country.

1-800-682-1191

Put your career search in high gear. Turn to classified ads in leading medical journals *and* call the National TeleAccess Network today at 1-800-682-1191. It's an unbeatable combination.

In cooperation with
The New England Journal
of Medicine. 617-893-3800
A publication of the Massachusetts Medical Society.
