THE COVER

Art work by Richard Pennell who holds a BFA in Medical Illustration (1988) from the Cleveland Institute of Art and Case Western Reserve School of Medicine, Cleveland, OH. Pennell has been a professional staff member of the University of Kentucky Chandler Medical Center Department of Medical Art and Graphics since 1988 and is a partner in the MediSim corporation that develops teaching simulators. His illustrations have appeared in numerous journals and books, and he is currently illustrating a gynecologic anatomy and surgical atlas.
