FELLOWSHIP IN RURAL FAMILY MEDICINE
Tacoma Family Medicine (TFM) announces openings for August 1, 1997 in our Fellowship in Rural Family Medicine. TFM, an 18-year-old Family Practice Residency affiliated with the University of Washington, has a strong history of training physicians for rural practice. We are currently in the 7th year of our Fellowship in Rural Family Medicine and 5 Fellows are currently participating in the program. It is anticipated that the Rural Fellowship will accept 5 physicians for the year beginning August 1, 1997. The curriculum will consist of 6 months of intensive training in high-risk obstetrics and 6 months of electives tailored to the needs of the individual. Options for the individually tailored time include adult and pediatric critical care, all medical and surgical specialties, emergency services, public health, practice management, etc. As the only civilian residency in Tacoma, WA, located on beautiful Puget Sound, this is an ideal training site. Contact David Acosta, M.D., Program Director, Tacoma Family Medicine, 521 Martin Luther King Jr. Way Street, Tacoma, WA 98405 for details. Applicants should be finishing a Family Practice Residency in 1997 or have previously completed residency training in Family Medicine and have an interest in rural practice.

Family Practice Physicians

If you're a physician looking for a professional life that keeps you attuned to high-tech medical advances and offers you financial rewards, opportunities for career development and excellent benefits, the Navy Medical Corps may be for you. As a Navy physician, you'll practice in a truly collegial environment, where physicians support each other rather than engage in economic competition. You'll be a commissioned officer and a respected member of the Navy's prestigious health care delivery team.

You'll work in clinical settings in the United States and around the world with top professionals and state-of-the-art equipment and facilities. Through funded continuing medical and specialty training, you'll have the opportunity to develop your full professional potential as well as the freedom to move from practice to research or teaching without losing seniority, salary level, or retirement benefits.

You'll earn an excellent starting salary based on your ability and experience, and federal law provides free medical liability protection to Navy physicians. You may also be entitled to special pay in addition to your regular salary and allowances. Navy benefits include 30 days of paid vacation earned each year, free medical and dental care, tax-free housing and food allowance, an excellent retirement system and opportunities for free travel to some of the most exotic and beautiful places in the world.

For more information, contact your local Navy Medical Programs officer or call 1-800-USA-NAVY.

Cancer?

Although cancer is a very grown-up disease, thousands of children like Adam learn all about it each year when they're diagnosed with one of its deadly forms.

But these children have a fighting chance because of life-saving research and treatments developed at St. Jude Children's Research Hospital. To learn more about the work doctors and scientists are doing at St. Jude and how you can help, call:
